**Week of Prayer for Christian Unity 2024, 18<sup>th</sup> – 25<sup>th</sup> January:**

The Week of Prayer for Christian Unity is an ecumenical Christian observance in the Christian calendar that is celebrated internationally. It is kept annually between 18 January and 25 January in the Northern Hemisphere – the octave of St. Peter and St. Paul.

The theme this year is **'You shall love the Lord your God and your neighbour as yourself'**. This theme is from the story of The Good Samaritan.

The parable of the Good Samaritan is one of the best-known passages of Scripture, yet one that never seems to lose its power to challenge indifference to suffering and to inspire solidarity. It is a story about crossing boundaries that calls our attention to the bonds that unite the whole human family.

**CARDIAC REHABILITATION PROGRAMMES**

Have you experienced a cardiac event? 'It's Cardiac Rehab!' is a podcast series for you developed by the Irish Association of Cardiac Rehabilitation and the Irish Heart Foundation to support your recovery. ### USED STAMPS BOX IN CHURCH PORCH

Charities can turn used stamps back into money. Not sure what to do with used postage stamps from Christmas cards? Why not spread a little love this season and donate them to charity boxes in both Churches where they will be turned into much-needed donations. Stamps are sold by weight, meaning that many charities can turn old ones into funds to help their ongoing work. Simply cut the stamp off the envelope, and if possible making sure to leave approximately 1cm of envelope bordering the stamp. With many organisations struggling as a result of the ongoing pandemic, this festive season is set to be harder than ever before — and something as simple as a stamp could be just what they need.

**Shrile Church Sacristan Volunteer(s):** Would you be interested in becoming a sacristan for Shrile Church? The role of the church sacristan is to prepare the church for prayer and worship. Their role enables all to celebrate the Eucharist and all other liturgies in a dignified and prayerful manner. They bring practicality and order to their preparations. In this way, whichever celebration is to take place, whether it is daily Mass, weekend liturgies, funeral or Confirmation, the prayer and liturgy of the celebration flows smoothly. A sacristan provides valuable support, help and assistance to the priest. A sacristan ensures things such as making sure heating, lights and sound are on, plus the church is prepared and ready for the upcoming liturgy. Much of the work of the sacristan is behind the scenes, often unseen or unnoticed. It is the sacristan who makes sure that all is ready, all is prepared, all is where it needs to be before the prayer or liturgy begins. The ministry of the sacristan is marked by reverence, as they prepare the church for liturgy and prayer. If you are interested in becoming a sacristan, please contact Fr. Vivian. Thank you!

### Note to Parish Envelopes Distributors:

The parish envelopes boxes are now available in front of the churches. Can all parish envelope distributors please collect their boxes for distribution. As always, thank you for doing this and supporting the parish in such a vital manner. Please note envelopes have only been issued for people who were using envelopes to cut back on expenses. As there may be some issues in changing the system, if you do not get a box, and would like to have one, please contact Fr. Vivian after a weekend Mass. Thank You. Income from these envelopes is currently the only source of income for the works carried out in Shrile and Glencorrib. I would like to thank everyone who contributes at this time. Fr. Vivian

### Return to Use of Baskets:

The Parish has returned to use of collection baskets during Mass this December. A collection box continues to be available in Shrile Post Office. During Mass, at offertory time, please use the baskets available. Thank you for your continuing support, cooperation and help as the parish continues its renovation works.

## Would your child(ren) be interested in becoming an altar server?

Pupils from third class upward are welcome to become altar servers – no experience necessary!

It is a long tradition in families that children become altar servers, just as their mom and dad before them. Altar servers have a long history in the church and in celebration of various liturgies, especially on weekends. Apart from enhancing the way liturgy is celebrated, becoming an altar server allows a child to grow in confidence and self-esteem by working and carrying out various activities in public, along with learning collaboration, teamwork, cooperation, and communication skills that are the basic blocks of society and the social framework.

The aim, depending on numbers, will be to form teams that will be put into a Rota. It would be hoped that each team would have pupils from various classes allowing the students to learn from each other. While this will be the guide in forming teams, every effort will be made to accommodate pupils and parents/guardians.

Finally, in line with child safety policy, each team is required to have TWO adult supervisors. Clergy count as 1, so another adult is required. The previous policy whereby parents/guardians of a team would take it in turns to be supervisor will NO LONGER be necessary. This is due to several parents volunteering to take this role.

This means that if your child wishes to become an altar server, it will not necessitate you being Garda Vetted. If your child is interested, or you have further questions feel free to contact the parish at

[parishofshurle3@gmail.com](mailto:parishofshurle3@gmail.com).
