## **ON PASSING A GRAVEYARD**

May perpetual light shine upon  
The faces of all who rest here.  
May the lives they lived  
Unfold further in spirit.  
May all their past travails  
Find ease in the kindness of clay.  
May the remembering earth  
Mind every memory they brought.  
May the rains from the heavens  
Fall gently upon them.  
May the wildflowers and grasses  
Whisper their wishes into light.  
May we reverence the village of  
presence In the stillness  
of this silent field.

### What does a Community First Responder group do?

Community First Responders (CFR) are volunteers who are trained to attend certain types of emergency calls in the area where they live or work. Their aim is to reach a potential life threatening emergency in the first vital minutes before the ambulance crew arrives. Their role is to help stabilise the patient and provide the appropriate care including CPR & defibrillation, until the more highly skilled ambulance crew arrives on scene to take over the treatment.

### How does this work?

Upon receipt of a 999/112 call Community First Responders are dispatched simultaneously with the National Ambulance Service. First Responders are only dispatched to Chest Pain, Breathing difficulty, Choking, Stroke and Cardiac related calls within a three mile (5km) radius of their Communities. Because the people "on call" live or work in their area, they can respond in minutes and provide emergency measures and reassurance until the Ambulance Service arrives

## Would your child(ren) be interested in becoming an altar server?

Pupils from third class upward are welcome to become altar servers – no experience necessary!

It is a long tradition in families that children become altar servers, just as their parents before them. Altar servers have a long history in the church and in celebration of various liturgies, especially on weekends, funerals & weddings. Apart from enhancing the way liturgy is celebrated, becoming an altar server allows a child to grow in confidence and self-esteem by working and carrying out various activities in public, along with learning collaboration, teamwork, cooperation, and communication skills that are the basic building blocks of community.

The aim, depending on numbers, will be to form teams that will be put into a rota. It would be hoped that each team would have 5 pupils from various classes, allowing the students to learn from each other. While this will be the guide in forming teams, every effort will be made to accommodate pupils and parents/guardians.

Finally, in line with diocesan child safeguarding policy, you will need to complete Application Form SG-04, This along with an information leaflet 'Information & Guidance for Children/Parents' will be provided.

If your child is interested, or you have further questions feel free to contact the parish at [parishofshurle3@gmail.com](mailto:parishofshurle3@gmail.com).
